His secret traps him in a life that is not his own. Darbury, England, 1819 Cecily Faire carries the shame of her past wherever she treads, knowing one slip of the tongue could expose her disgrace. But soon after becoming a lady's companion at Willowgrove Hall, Cecily finds herself face-to-face with a man well-acquainted with the past she's desperately hidden for years. Nathaniel Stanton has a secret of his own—one that has haunted him for years and tied him to his father's position as steward of Willowgrove Hall. To protect his family, Nathaniel dares not breathe a word of the truth. But as long as the shadow looms over him, he'll never be free to find his own way in the world. He'll never be free to fall in love. When the secrets swirling within Willowgrove Hall come to light, Cecily and Nathaniel must confront a painful choice: Will they continue running from the past . . . or will they stand together and fight for a future without the suffocating weight of secrets long kept?.
